Non-receipt of bills shall not be accepted as an excuse for delay in payment. Payment should invariably be made in cash, money orders or postal orders.

Para Nos. 4, 5, 6, 7 and 8 in rule No. 8 which are as follows are adopted without modification :—

Disconnections and re-connection of service.—On failure of payment within the due date, the department reserves the right to cut off water supply to the premises and connection will be restored only on receipt of the amount along with a penalty of rupee one in such case.

This penalty will not be charged if disconnection is made at the request of the consumer, subject to the condition that all the dues up to the date of disconnection are paid up on or before the due date.

"Disconnection may not generally be made when the arrears due from any installation is less than rupee one, provided such arrears are paid up before the next quarterly bill is preferred."

As mistakes are likely to occur in crediting the receipt to the proper ledger account and giving room for disconnection of service in such cases, notwithstanding such payments being made by the concerned parties, the consumers are advised to produce receipts for payments, or alternatively, postal money order receipts or counterfoils of cheques when asked for by the officials of the Department, who have been directed to effect disconnection of service, in cases of default in payment.

No disconnection shall be made without first asking for the voucher in support of the payment made.

Para No. 9 in rule No. 8 which is as follows is deleted.

Cheques drawn on Local Banks, such as the Imperial Bank of India, Mysore Bank, Co-operative Banks and Societies shall be accepted; but no cheques shall be accepted for sums less than Re. 1 which shall be paid only in cash.

Rule Nos. 9 to 15 which are as follows are adopted without modifications :—

9. Payments claimed by the departments even in some cases of dispute shall be made within the specified time, subject to the grant of a refund later on after final decision by the department.

10. *Payment by consumer or owner.*—All money due for water consumed, meter rent or other charges under these rules shall be payable by the consumer or on his default by the owner.

11. *Intimation of change of ownership or tenancy.*—All changes of ownership or tenancy of a premises should be intimated forthwith to the authorised officer in writing, failing which the new consumer or owner shall be liable to be proceeded against recovery of all arrears connected with the supply of water, provided, however, that for any such sum recovered from the new tenant, he shall be entitled to credit in account with the owner of the premises.

12. Claims for water charges, etc., shall not become time-barred merely by any delay on the part of the department, provided that the bills for the claims can be shown to have been sent by the authorised officer at least once immediately after the charges become due. Arrears of charges due, if found irrecoverable by the Department, will be recovered in the same manner as any other Municipal dues under the Mysore Town Municipalities Act, 1951.

13. The President shall when requested by the consumer in writing, furnish a memorandum showing the consumption and probable charges on account of water consumed, meter rent and other items, for any period subsequent to the preparation of the last bill in the office.

14. In cases of neglect or unwarranted delay to report wastage, under the above rule, the President or the authorised officer may cut off the water connection without notice and follow it up with an official notice to the consumer or the owner.

15. The connection shall not be restored until the defects of leakage, etc., are satisfactorily restored. A bill of cost for such immediate repairs executed by the Departmental agency will be sent to the party who has to pay the same.

Rule No. 15 (*a*) which is as follows is deleted.—

15. (*a*) In cases where the wastage of water is due to leaky pipes, the party may be charged at a concessional rate of eight annas per 1,000 gallons for such loss, the quantity being calculated as the difference between the previous six months or the free allowance, the premises are entitled to whichever is greater.

Rule No. 16 which is as follows is modified as below.

16. Power to cut off the connection.—

The President or Authorised Officer shall have power to cut off the connection between the supply and communication pipes in any one of the following cases, provided that a reasonable written notice showing the specified cause or causes is given in advance such notice being posted on the houses or premises in case the consumer is not accessible :—

(*a*) In default of payment of *excess* water charges, *meter rents* or any other charges due under these rules which have been duly demanded previously through bills issued from the office of the authorised officer.

The words occurring in rule No. 16 (*a*) as "excess, meter rents" are deleted.

Rules bearing No. 16 (*b*) to (*h*) which are as follows are adopted without modifications.—

(*b*) If any consumer violates any of the conditions on which connection has been granted to the premises in question, resulting in the misuses of such water.

(*c*) In case of leakage through pipes or other fittings or any defective or insanitary condition of the same.

(*d*) In case of allowing wastage of water even after the issue of a warning in advance.

(*e*) In the case of broken pipes or fittings causing or likely to cause heavy loss of water or damage to property;

(*f*) In the case of refusal to allow the President or the authorised officer to enter into any land or building for the purpose of inspecting or repairing or attending to any works connected with the water supply given to the premises.

(*g*) In case of any person wilfully or unauthorisedly permiting any other person to take a connection from his supply.

(*h*) In the case of contamination of water from storage cistern.

Sub-rule (*i*) in rule No. 16 is deleted, which is as follows.—

(*i*) In case the occupier of the premises does not give proper protection to meter readers from any injury being caused by animals, such as dogs, etc.

17. In the case of Government buildings used for residential purposes, the "*excess*" water charges shall be recovered as under the rules applicable to the general rate-payers, from the occupier direct as a liability against him. In the case of his default, the head of the Department concerned, under whose charge the building is left, shall recover the arrears.

(The word "*excess*" occurring in 2nd line of rule No. 17 is deleted.)

18. (*a*) *Mosques, Churches, Temples, and other Religions Institutions.*—

In the case of Mosques, Churches, Temples and other Religious institutions recognised as such by the Municipal Council and used by the public, water shall be supplied free of cost.

Note.—(1) Only three taps will be allowed for each institution. If more than three taps are required, the institution must pay for the excess water consumed, at the rates charged under the rules.

(2) The trustees of the institutions concerned should see that the repairs needed to the pipe line and taps are attended to promptly and that water is not misused or wasted.

(3) The staff of the water Supply Department shall inspect these institutions frequently and the defects, if any, pointed out by them should be attended to speedily by the trustees of the Institutions concerned.

(4) Failure to attend to the defects pointed out will entail cutting off the water supply connection without further notice.

(5) The President shall obtain the approval of Government to a consolidated list of religious institutions as are now existing and which shall be governed by these rules and new ones added to the list with the approval of Government, as and when they come into

(6) The above concession shall not, however, a ply to the residential and other buildings atta ud to the institutions concerned, which wi be governed by the general rules applicab to private buildings.

(5) Rule No. 18 (*b*) (1) which is as follows is del ed

Charitable Institutions.—

(1) *Chattrams.*—The free allowance admissible in e ch case will be fixed by the Government on the recommen a- tion of the Municipal Council and the excess consumpt n charged for at a concessional rate of annas eight e thousand gallons. A consolidated list of existing chattra s in the Town will be submitted to Government by e President.

Rule No. 18 (*b*) (2) which is as follows is modified s below:—

(2) *Hospitals.*—The free allowance for each hospi l shall be fixed on the merits of each case on the recomme dation of the Municipal Council and the exc s consumption charged for as a concessional rate of an s eight per thousand gallons.

Modified rule is as follows:—

The water charges shall be fixed on the merits of ea case on the recommendation of the Municipal Council.

Note.—Government, however, reserve the right to enhan or reduce the free allowance in the case of the institutions according to the circumstances of eac case.

(*c*) Burial and cremation grounds.—

The water supplied to burial and cremation grounds wi be entirely free of cost.

Rule Nos. 19 and 20 which are as follows are deleted.

19. The free allowance of water in the case of jail sha l be as follows:—

(1) *Convicts,*—Six and a quarter gallons per head pe day.

(2) Resident members on the Jail Establishment wh have no separate water connection in their residentia quarters—Twelve and a half gallons per head per day.

20. *Jails.*—The Water Supply Department shall ascertain the strength of convicts and resident members of the jail establish ent from time to time, usually once a quarter and fix the free allowance accordingly.

Rule No. 21 which is as follows is modified as noted below.—

21. *Hostels.*—The free allowance of water in the case of hostels shall be 12½ gallons per boarder per day and the excess consumptions charged for at a concessional rate of annas eight per thousand gallons in the case of free hostels and at Rupee one per thousand gallons in the case of hostels having paying boarders. The department shall get the statistics every quarter before the 10th of the month following that quarter.

Modified rule.—The water charges shall be fixed by the Municipal Council annually on the merits of each case.

Rule No. 22 which is as follows is modified as below:—

22. Supply to Government Institutions.—

In the case of Government Public Buildings and Institutions in which Goverment Offices are held and which are not run on commercial or business or trade lines, the entire water consumed shall be charged for at eight annas per thousand gallons without any free allowance, as the buildings are used solely for public purposes.

Modified rule No. 22 is as follows:—

In the case of Government Public buildings and Institutions in which Government Offices are held and which are not run on commercial or business, or trade lines, the entire water consumed shall be charged for at concessional rates by the Municipal Council as the buildings are used solely for public purposes.

Rule No 23 which is as follows is adopted without modifications.

23. But when Government Institutions are in default or when the claims are disputed by them, the water supply shall not be cut off immediatly but two months' time shall be given to refer the matter to the departmental head and obtain orders for recovery.

Should they continue to default even thereafter, the matter may be referred to the Secretary to Government, Public Works Department and arrangements made for recovery through the Accountant-General.

Rule No. 24 which is as follows is modified as below.

Water Supply out of Municipal limits.—

24. In cases in which water supply is made to houses, premises, industrial concerns, etc., outside the Municipal limits of the Town, these rules shall apply *mutatis mutandis*, except where such supply is controlled by a separate agreement with the Municipal Council.

No houses, premises, industrial concerns, etc., outside municipal limits shall be eligible for any free allowance. All water supplied shall be charged for at a rate of Re. 1 per 1,000 gallons, except where otherwise provide for under a separate agreement with the Municipal Council.

2nd para in rule 24 is modified as follows:—

No houses, premises, industrial concerns, etc., outside Municipal limits shall be eligible for any free allowance. All water supplied shall be charged for at higher rate to be fixed by the Municipal Council.

All arrears of water charges, meter rent and other charges due to the Department or Council shall be recoverable from the consumer as arrears of land revenue.
